Sir,

Receipt acknowledged 24/4/06

In continuation with my letter No:174 of 24-3-06, I have the honor to submit herewith detailed plans and Estimates of work carried out to the Hospital for women and children at Mysore by Rev: Mr: Sawday of the Wes-lyan Mission at Mysore. From these papers it will be seen that the value of work so far carried out is about Rs: 76,000 including the materials at site. The total amount for completing the buildings in hand will be not less than

than one lakh of Rupees.

2/. As only a valuation report has been called for, too many details have not been gone into in the plans. These have also been left in rough.

3/. No proper plans nor estimates being available, they had to be got up freshly, causing some delay.

I have the honor to be,

Sir,

Your most obedient Servant,

Executive Engineer,

Mysore Division.
